

The WS-3 Series is available in both solid colors and in two-tone color combinations. Made of thick MDF, this stand provides increased stability and allows for an excellent transfer of unwanted vibration to the floor.

**ISOLATION PADS AND METAL TOP PLATE**  
A thin metal top plate is well concealed under your speaker. Isolation anti-skid pads provide a secure fit.

**CABLE MANAGEMENT**  
A cable management system is concealed behind the three-post structure.

**ADJUSTABLE SPIKES WITH RUBBER CAPS**  
In addition to adjustable spikes, floor protecting spike caps are included.

Model	Height	Bottom Plate	Top Plate
WS3-23	24½"	9¼" X 12½"	5" X 6½"
WS3-30	31½"	9½" X 12½"	5" X 6½"
WS3-42	43½"	9¼" X 12½"	5" X 6½"
