

The Mordaunt-Short Premiere system is a complete yet compact home theatre loudspeaker package designed for listeners who demand the ultimate experience across music and movies.

# Premiere home theatre system

## 302 satellite

The Premiere 302 uses our proprietary CPC™ (Continuous Profile Cone) driver technology and liquid cooled aluminium dome tweeter for a vibrant yet perfectly balanced sound.

## 302 specifications

Recommended amplifier power	15-80 watts
Drive units	(1) 90mm/3.5" mid/bass (1) 25mm/1" tweeter
Impedance	4-8 Ohms
Dimensions (h x w x d)	180 x 112 x 130mm 7.1 x 4.4 x 5.1"

## 304 centre channel

Premiere's dedicated centre speaker is voiced for the clearest, most natural and tonally accurate dialogue. It features the same drive units found in the 302 satellite for perfect sonic integration.

## 304 specifications

Recommended amplifier power	15-80 watts
Drive units	(2) 90mm/3.5" aluminium CPC mid/bass (1) 25mm/1" aluminium dome tweeter
Impedance	4-8 Ohms
Dimensions (h x w x d)	112 x 278 x 130mm 4.4 x 11.1 x 5.2"

## 308 subwoofer

A substantial 80 Watt amplifier and heavy duty 20cm woofer give the 308 its surprising weight and scale. With adjustable crossover, phase reverse option and custom-designed feet and spikes, this 30cm cube is a sonic marvel.

## 308 specifications

Output power	80 watts Active
Driver	(1) 200mm/8" long throw non-pressed paper cone woofer
Dimensions (h x w x d)	305 x 305 x 305mm 12 x 12 x 12"

## Research and development

Underlining every Mordaunt-Short product is the company's commitment to excellence. Every component in every speaker, has been designed by Mordaunt-Short.

## Engineering investment

To maintain our position at the forefront of loudspeaker design requires significant investment. Every product is developed in Mordaunt-Short's London-based development centre.

Before sign-off, every loudspeaker is personally voiced by the head of Acoustic Engineering to ensure it's fit to bear the Mordaunt-Short name.

## Avant 309i subwoofer upgrade

Rated at 175 Watts, the 309i digital subwoofer

delivers powerful and taught low frequencies thanks to its aluminium driver. It also features an 'Adjustable Notch Filter' for more control over its position.

The 309i is compact enough to fit easily into virtually any room.

## 309i specifications

Output power	175 watts Active
Driver	(1) 255mm/10" aluminium CPC long throw woofer
Dimensions (h x w x d)	370 x 370 x 370mm 14.6 x 14.6 x 14.6"

## Accessories

Two high quality dedicated Premiere accessories are available to maximise your system's potential. The 300P stands offer a firm base for speakers as well as channelling unsightly cables while the 300M wall brackets have an infinitely adjustable mounting angle.

## Finishes

Premiere models are available in Honey Maple or silver.
